

Board Approves Bailey Span For Truckee River

Bridge Should Be in Place
By End of Month
Says O'Connor

The Nevada County board of supervisors has approved the erection of a Bailey prefabricated steel truss bridge across the Truckee River at Bridge Street to serve on the site of the recently collapsed bridge until a new span can be built.

If the weather holds good it is probable that a 90-foot truss bridge will be in place across the river by the end of this month, Road Commissioner J. F. O'Connor said. O'Connor was directed by the supervisors Saturday to expedite the erection of the bridge on the Brockway Cutoff. He had engineers and surveyors on the scene this week studying what will have to be done to clear away the recently wrecked bridge and to build two temporary timber piers on concrete footings to help support the Bailey span.

O'Connor was instructed to enter into an agreement with C. F. Hamlin of San Luis Obispo, Hamlin, representing the Bailey interests, explained to the board an 80-foot span would suffice if supported by bents. The rental for the bridge will be \$600 a month. Supervisor H. G. Loehr of Truckee estimated the bridge can be hauled to the scene and made ready for not more than \$5400.

Residents of the area south of the river are now using a low-level bridge built by Crandall Brothers half a mile from the damaged span. The county has assumed liability for public use of this private bridge.

SPORTLAND SOLD, GREGORYS PLAN MOVE TO BUTTE

R. C. Gregory yesterday announced the sale of his Sportland pool room and cigar store to Mrs. Emma H. Flynn, operator of Flynn's Taxi here for nearly two years.

The Gregorys plan to return next week to Paradise, Butte County where he is interested with his brother, Stanford, in the real estate business. They have sold their home to E. Montana, a Southern Pacific employee, and will make Paradise their permanent residence.

Mrs. Flynn said she will continue to operate her taxi from the Sportland. No immediate changes are contemplated in the operation of the store.

Rotarians Told of Need For Employment Office

The Rotary Club of Truckee met Monday evening at Donner Lake Lodge and heard Mrs. Claude Harrison speak on unemployment insurance and its workings in this area. She pointed out the need for a local office to care for the local unemployment insurance and employment service which that department renders.

Visiting Rotarians present were Charles J. Harshburger, San Mateo; Hal Wright, Loyalton; Harold Stark, Tahoe City; Harold Lape, Morro Bay; and other visitors were Dr. Forest F. Spear, Salinas; Harry Digesti, Truckee, and Fred Bontadelli, Gonzales.

Mrs. Bryant's Headstone Fund Serves its Purpose

C. B. White, secretary of the Truckee Cemetery District, this week announced that as a result of donations received from friends of the late Mrs. Lotta Bryant, the sum of \$26.50 was realized for the purpose of having her name and pertinent data inscribed on her headstone in the Truckee cemetery. This total was \$1.50 over the sum paid to the engravers, J. N. Boone and Sons, and the balance is being used for flowers. White expressed his appreciation for the response for funds.

Donors included Mr. and Mrs. Matt Green, Mrs. Katherine Kaler, and Mrs. Ruth Wallace of Sacramento; Mrs. W. F. Wilkie of San Francisco and the following Truckee residents: Mr. and Mrs. S. A. Follett, Mr. and Mrs. B. J. Rordam, Mr. and Mrs. Joe Mattos, Mr. and Mrs. White, Mr. and Mrs. James McIver, Frank Kearney and the Wyethia Club.

Rustad Tells Lions Of Summer Ski Meet

Kjell Rustad of the Lake Tahoe Ski Club was the speaker at last night's meeting of the Truckee Lions Club. He told of his recent visit to the Los Angeles County Fair at Pomona where he officiated at a summer ski meet.

Bill Becholt was the program chairman and Robert Seibold presided.

Accused Speeder Draws Jail Term After Local Trial

It is quite probable that if Leroy F. Panzenhagen, 32, Sacramento, gets another ticket for speeding and decides to ask for a jury trial he will give the matter more consideration before he fails to appear in court.

Panzenhagen was cited by the California Highway Patrol on charges of speeding and subsequently entered a plea of not guilty before Justice of the Peace Fosten Wilson and asked for a jury trial.

Wilson set the day of the trial for September 25 and called a jury to hear the case. The district attorney and other court attaches appeared and all was in readiness for the hearing. The defendant did not show up.

The local justice again set the trial date for October 8 and the same procedure was gone through. The defendant failed to appear.

This time, however, the trial went on in his absence and he was ordered to forfeit the \$15 bail he had posted and to spend ten days in the county jail.

YOUNG PEOPLE, LOST HUNTING, FOUND MONDAY

After being lost for several hours while on a deer hunting trip near Hobart Mills, two 15 year old Truckee youngsters were found by a posse of searchers Monday morning, little worse for their experience.

The two, Carol Young and Albert May, had accompanied the latter's parents on a jaunt back of Hobart Mills Sunday evening. When the two did not return by 11 p.m., Constable N. F. Dolley was notified and Deputy Sheriff Frank Gallino, Bud Owens and William Curran of the Truckee Ski Patrol were asked to form the posse.

At 1:30 o'clock Monday morning Curran came upon the couple in the vicinity where they had been seen last. They told him darkness came upon them and they lost the trail home. They improvised a crude shelter, built a fire to keep off the below-freezing weather and were waiting for daylight or rescue.

As far as reported, this incident marked the only case in this district where a hunter has been lost this season, Dolley said.

Elementary Pupils Tour Southern Pacific Yards

On Wednesday, the second and sixth grades of Truckee Elementary School, their teachers, Richard L. Davis and Mrs. Irene Leamon, and under the guidance of W. J. Smisek, visited the Southern Pacific yards at Truckee.

The youngsters had an opportunity to go through the cab of a big mallet locomotive where Smisek explained the various controls. He also explained the problems of going over the mountains with the trains, both steam and diesel.

When the classes returned to the school, Smisek spent considerable time answering questions that were asked by the children. It was felt by all that the trip was quite an interesting educational success.

In the near future, Smisek is going to have the classes visit the cattle loading pens so that they will be able to see the cattle being loaded for shipment. The second grade is studying "Trains and Transportation" in their social studies unit.

Lake Tahoe Resorters To Attend Convention

Several Lake Tahoe people are leaving to attend the annual convention of the California Hotel Association at Palm Springs, which opens this weekend. Among those planning to attend are Mr. and Mrs. Don Huff of Homewood Resort, Mr. and Mrs. George Kehlet of Meeks Bay Resort and Pete Bennett of Brockway Hotel.

Sacramento Woman Hurt As Car Skids and Rolls

Mrs. Cleo Smith, Sacramento, suffered leg injuries when a car in which she was riding skidded and overturned a mile east of the quarantine station. Occupants of the car had left when highway patrolmen arrived to make the investigation.

Bus Line Fixes Voluntary Speed Limit Near Here

Greyhound Reduces Speed To 35 MPH Between Town and School

Glen Lowman, assistant director of safety for the Pacific Greyhound Lines, who spent several days in this area observing traffic conditions, said drivers of Greyhound buses will be immediately instructed to maintain a speed limit not to exceed 35 miles an hour between the new high school and Truckee.

T. T. Buell, division of highways superintendent, several months ago requested that this section be zoned to 35 miles per hour but the request was denied at that time.

Lowman told Patrolman William Gautsche, in charge of the Truckee CHP office, that this voluntary action will be enforced and asked that the patrolmen and public observing violations make reports to the company so that action can be taken to avoid accidents.

This section has been the scene of a number of accidents in recent months and several new businesses have been erected in the vicinity, adding to traffic hazards with cars traveling at high rates of speed.

CHURCHES AIDED BY ACTIVITY OF THIMBLE CLUB

During its three years of existence, the Thimble Club, a comparatively small group of women, has donated \$500 to various charities and worthy causes in the community.

The most recent project netted \$130 which was divided between two local churches.

Mrs. Pearl Heller is president of the organization and with the assistance of her co-workers was active in the club's progress.

DeMai PUTS IN MACHINE SHOP AT STORE HERE

Installation of a modern machine shop in connection with his auto parts store was announced this week by Joseph A. DeMai of DeMai's Auto Parts and Machine Shop.

The local man has installed a Van-Norman surface grinder for grinding cylinder heads and manifolds, a Van-Norman brake drum lathe, Kwik-Way boring equipment to align main and cam bearings as well as a Lampo pin fitting machine of the latest design and other modern and new engine building equipment.

DeMai, who operated one of the largest engine rebuilding plants between Portland and San Francisco at Eureka, before coming to Truckee, has been associated in the machine shop work since 1908 when he was with the major auto manufacturers in Michigan. He has been here since March.

DeMai said he has confidence that the district warrants a plant such as he has installed and extends an invitation to all managers of garages and shops and car owners in the district to inspect the plant.

McCarty's Seek Damages Following May Accident

Two damage suits totaling \$121,866.79 were filed in Nevada County superior court Saturday as a result of a car collision at the east end of the Donner Summit Bridge on Highway 40.

The suits were brought on behalf of Mr. and Mrs. Raymond McCarty of Soda Springs by a group of San Francisco attorneys and John L. Larue, Nevada City attorney. Being sued is Henry Alfred Wittich of Colfax.

The complaints allege the McCarty coupe, driven eastward by the husband, was struck headon by a sedan driven by Wittich on May 7.

Both the McCarty's allege they were injured and have lost wages as a result of the accident, the complaints declare. McCarty sues for \$44,064.30, including \$40,000 general damages. His wife in her suit asks \$77,802.49, including \$75,000 general damages.

Sun Beams by Walter M. Jarrett

The first truck load of Christmas trees left the district the other day—more than two months before Christmas—the vanguard of hundreds to follow. We have never been convinced that the harvest of trees as currently handled in our diminishing forests is sound practice, but evidently this opinion is not shared by those who reap golden harvests from our natural resources. Strictly supervised cutting, no doubt, has its good points and may result in protecting the watershed and trees, but too many contractors and cutters take advantage of the shortage of enforcement facilities. In their desire to fill orders from easily accessible areas where young trees provide better foliage, they make "mistakes" which not only damage the forests but creates a hardship for the honest contractor who abides by boundary lines and attempts to benefit rather than damage the area where he works. The industry, we are advised, is a profitable one for both the community and the contractors, but if we are to keep it that way, then closer supervision and more severe punishment for violators should be considered.

During the current hunting season we have had occasion to note with satisfaction the manner in which violators have been treated by Truckee's justice of the peace. Like our forests and other natural resources, so valuable to this district, game must be protected and the punishments meted out by the local justice bears conclusive evidence that no one is more aware of this fact than the court. Through his treatment of violators, the court is earning the thanks of all sportsmen, present and future.

TAHOE VALLEY HIGH STUDENTS VISIT SCHOOL

Forty student body members and the faculty of five from the Tahoe Valley High School at the south end of Lake Tahoe were guests of the student body and faculty of the Tahoe-Truckee Unified High School yesterday.

The visitors arrived by bus at 10:30 and following an athletic field day, were guests of the local school at lunch.

During the afternoon the assemblies of groups of both schools met in the cafeteria for panel discussions of subjects of mutual interest.

Laurence Pool, principal of the Tahoe Valley school, headed the visiting group and Principal C. P. King and Superintendent E. V. O'Rourke were on the welcoming committee.

Driver Draws \$200 Fine For Intoxicated Driving

Leigh H. Rovnan, 41, Stockton, currently residing at Lake Forest, was fined \$200, his driver's license suspended for one year and placed on probation for one year after pleading guilty to a drunk driving charge before Justice of the Peace Harry Harrison at Kings Beach yesterday.

Rovnan, who has been employed by the contractor on the new Tahoe-Truckee high school building, was arrested at the Brockway quarantine station Tuesday night by Patrolman T. F. Sheehan and appeared in court yesterday morning.

The court was advised that this was the second drunk driving conviction against the defendant.

DRIVER CITED

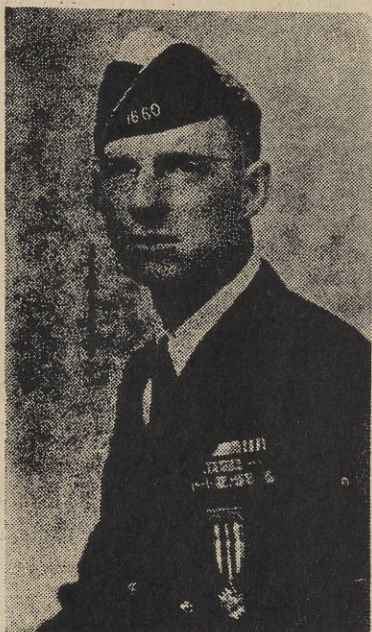

Dolores Haight, 27, Truckee, was cited by State Patrolman William Gautsche for not having an operator's license in her possession after the car she was driving ran off the highway at the Bungalow at noon today. Her companion, Salvatore Garcia, was booked for violating the county sobriety ordinance.

ORGANIZER

ALVA J. FLEMING, department chief of staff for the Veterans of Foreign Wars, will be in Truckee on Monday evening, October 15, for the organization of a VFW post here.

FOREIGN WARS VETERANS FIRST MEET MONDAY

The first meeting of the new Veterans of Foreign Wars Post in Truckee will be held in the Veterans Memorial Hall here Monday evening, October 15, at 8 p.m.

The order of business will include the request for charter, naming the post, nomination and election of officers and arrangements for institution. All eligible veterans are invited. Alva J. Fleming, California department chief of staff, will be on hand to conduct the meeting.

KILLING OF FAWN PROVES COSTLY TO CAPITAL TRIO

A trio of Sacramento hunters paid a total of \$1,000 in fines in the court of Justice of the Peace Alden Johnson of Sierraville in a fawn killing case.

Chester E. Hodgson was fined \$500, his rifle and pistol were confiscated and his deer license and tags surrendered on a charge of killing and possessing fawn venison. Monte C. Wright was fined \$450 on a possession charge and Willard C. Wright paid \$50 on a possession count.

The three were arrested at their camp site by Game Wardens Gil Berg and Gene Durney.

Check Case Suspects Bound Over for Trial

Muriel Leroy Casteel and Mrs. J. N. Hartle, accused of passing fictitious checks, were held to answer when they appeared before Justice of the Peace Fosten Wilson for a preliminary hearing. Their bail was set at \$1,000 each and both are being held in the county jail pending their superior court trial.

District Attorney Vernon Stoll decided to prosecute the pair in Nevada County instead of sending them to Idaho where they were said to be wanted on a forgery charge. The two were said to have been living recently in a tent near Truckee where Casteel worked as a "cat" driver for a lumber concern.

Tax Bills Issued Early, County Short of Cash

NEVADA CITY—Tax bills totaling \$697,842 are in the mail, addressed to 8,284 Nevada County taxpayers.

An additional 114 public utilities bills, bringing the total to \$1,161,692, are being prepared in the offices of Miss Elma Hecker, county tax collector.

Miss Hecker said the bills are being forwarded at the earliest legal date to replenish the county's general fund, which was exhausted two weeks ago. Meanwhile, the county has borrowed \$140,000 from the Bank of America to meet general fund bills between October 10 and December 10.

Mr. and Mrs. Harold Langille are expected home soon from a trip which has included Idaho, Oregon, and Washington.

Highway 40 Has Long Lead Over Roads Into State

139,939 People Come Into State Through Here In September

Although the number of vehicles entering California by way of the state's quarantine station east of Truckee dropped approximately 3,000 for September as compared to August, Highway 40 still remained by far the heaviest traveled entrance into northern California and was exceeded only by Yermo for the state as a whole.

The report by the state department of agriculture showed 47,025 cars, 2,782 trucks and 804 stages, with a total of 139,939 passengers entered the state via Truckee during September.

Of the cars, 31,067 were with California licenses and 15,958 had "foreign" plates.

At Stateline on Highway 50 a total of 13,834 cars, 194 trucks and 30 stages with 36,829 passengers were reported.

The Brockway station reported 3,759 cars, no buses and no trucks and a passenger count of 10,468 for the month.

Only non-local, eastbound traffic is tallied in these figures.

Yermo, in southern California, the only station to exceed the Truckee figure, had 54,034 cars, 4,212 trucks and 413 buses and a passenger total of 154,610.

California as a whole played host to 342,104 persons during September, who arrived in this state in out-of-state automobiles, according to the figures of the state department of agriculture.

Through the quarantine stations of the department, maintained at 18 entry points on all major highways, a total of 130,625 "foreign" vehicles passed during the month, along with 173,043 California cars which had gone out of the state.

SPORTSMEN'S FEED HELD ON SUNDAY WAS BIG SUCCESS

The Truckee Outdoor Sportsmen's annual buck stew is a matter of pleasant history.

Capitol Hall was filled to overflowing Sunday afternoon as hundreds of local and visiting guests gathered to partake of the savory repast and enjoy the fun accompanying the feast. The stew was prepared to a queen's taste by Chefs Julia and Johnny Ciardella, assisted by a corps of able helpers.

The 30-30 rifle, the grand award of the day, went to Mrs. G. Gini of Truckee, with a score or more of other gifts being distributed among the crowd.

Ciardella, president of the club, expressed his pleasure at the big turnout and extended thanks to all those whose assistance made the affair an outstanding success. He especially thanked Truckee Post 439, American Legion, for the use of their public address system; Hes Cardinal, who acted as master of ceremonies; Dave Rose and John Gracki of Rose Brothers' Market, for storing and cutting the venison; Mrs. C. V. Osburn, chairman of the buck stew committee, and her daughter, Marie.

Three New Buicks Are Delivered by Dealer Here

Sales of three new Buick cars was announced this week by Clarence Osburn of Osburn's Buick Garage.

Richard C. Fernandez of Kings Beach is driving a new four-door Riviera special and I. O. Gifford of Truckee Resort has a new two-door special. Gus Benjamin took delivery of a special Riviera.

Mrs. Neugebauer, Baby Expected Home Today

Mrs. Jack Neugebauer and their new son will arrive home today from Reno, where the latter was born Saturday, October 6, at 5:40 a.m. The lad tipped the scales at five pounds, eight ounces upon arrival. The couple have one other son, 19-months-old Jerry.

The family's new home at Donner Lake has been completed and will soon be ready for occupancy.

Kaspian Leases Truckee Mill To Stockton Box Co.

Firm May Install Planing Mill to Permit Direct Shipments

George Kaspian, owner and manager of the Truckee Lumber Company here, this week announced he has leased the mill half a mile west of Truckee near the Southern Pacific tracks, to the Stockton Box Company of Stockton.

The lease is for a period of six years with a four-year option and the deal includes the mill, dry kiln and other facilities.

The Kaspian's will continue to reside in Truckee and he has a contract with the Stockton firm to supply a minimum of 12 million feet of timber annually. He will continue to operate his logging camps and trucks.

Harrison in Charge

The deal was completed October 1 after several visits and inspections by Charles Gray, president; William Williams, vice president; and Henry Goff, superintendent of the Stockton Box Company. Claude Harrison will be in charge of the Truckee holdings. He has been in charge of the yard during Kaspian's operation. Robert Chaney is being retained as mill foreman and Melvin Ingverson remains as office manager for both the lessors and lessees.

No Changes

Kaspian said that the new managers announced they did not contemplate any change in the operations immediately, although they may later install a planing mill and increase the mill's capacity. The planing mill will make it possible to ship materials direct from Truckee to customers all over the world without the necessity of hauling to Stockton for processing.

Currently the mill is turning out a capacity volume with only one shift operating. This may be speeded up later.

Kaspian said that during the eight months operation thus far during 1951, the mill has turned out nearly eight and a half million feet. The concern, including logging operations, employs approximately 100 men, which is one of the largest single payrolls in the vicinity.

Had Cooperation

It is hoped to keep the plant operating between eight and nine months each year on a sustained basis.

Kaspian said he had sincerely enjoyed the cooperation of the business firms and residents of this district and trusted that this same friendly assistance would be extended to his successors.

Recently a spur track from the Southern Pacific was extended into the mill yard to facilitate shipments and many other improvements have been inaugurated by Kaspian during the two years he has operated the mill.

LEGION AND P.T.A. WILL CO-SPONSOR YOUTH PROGRAM

All members of the elementary Parents and Teachers Association are urged to meet with the American Legion, during its regular session on Tuesday, October 16, at 8 p.m. at which time a recreational program will be set up for the children of the local school for the winter months, sponsored by the Legion and assisted by the P.T.A.

W. J. Smisek presided at the meeting of the P.T.A. on Monday evening when the matter was discussed.

Moving pictures of Death Valley and desert flowers were shown and Mrs. L. D. Nelson was heard in vocal selections. A large attendance was at the meeting, the second grade of Mrs. James Leamon receiving a library book for the greatest number of parents present.

Refreshments were served by Mesdames James Walker, John Gracki, Robert Leamon, Martin Johnson, Frank Giovannoni and David Rose.

PROCEEDINGS OF THE BOARD OF SUPERVISORS OF NEVADA COUNTY FOR THE MONTH OF OCTOBER, 1951

The regular meeting of the Board convened at 10 o'clock A. M. with Chairman H. G. Loehr presiding. On roll call all the members were noted present. The minutes of the meeting of September 4th were read by the Clerk, and, no errors or omissions being noted, were adopted as read.

A petition for the disincorporation of the Donner Summit Public Utility District was delivered to the Board and turned over to the County Clerk to determine its sufficiency and return it to the Board at its next meeting.

The Board received and filed the amended description of the Selby Flat voting precinct, and the official description of the new Indian Flat precinct. Both descriptions were ordered set out in the minutes in full before filing.

The Board ordered the cancellation on taxes in the Grass Valley (2) School District described as a parcel of land 75x100 feet and being a portion of the E 1/2 of the E 1/2 of the Buena Vista Ranch Subd. (Min. Exc.), said lands now belonging to the State of California.

The Board received a delegation of residents living adjacent to the road known as the Lower Lava Cap Road or Greenhorn Road. They requested some work on this road and were assured that the Road Commissioner would be instructed to do some work on it immediately.

The request of one Clarence A. Darrough for employment in the Road Department was turned over to the Road Commissioner for filing and future reference.

The Board received a letter notifying it of the establishment of a new V. F. W. Post in Truckee and requesting assignment of time for meetings in the Veterans' Memorial Building in Truckee. No action was taken at this meeting.

A petition requesting addition to the Nevada City Unified School District was signed and filed by residents of the Oakland School District living in the "Mitchell Tract" and the "Brock Tract." The Board set Saturday, December 1, 1951, at 11:30 o'clock A. M. as the time of hearing said petition.

Permission was granted to the County Treasurer to enter into a contract for 5 years at \$32.50 per year with the Stockwell Lock Inspection Company of Los Angeles for maintenance of the time locks in that office.

The Directors of the Nevada Irrigation District requested this Board to suggest a substitute plan to dispose of tax deeded lands jointly held and to return said lands to the Tax rolls.

A letter was received from the Governor of California informing the Board of the creation of the California Defense Mobilization Service and requesting cooperation of this Board in making this service a benefit to the People of Nevada County.

The Board received and duly accepted the resignation of Mr. Richard E. Larsen as an assistant to the Veterans Service Officer.

The County Auditor informed the Board that the General Fund of the County is depleted and that the Treasurer joins with him in recommending that a sum of money be borrowed to cover the legal expenditures for the month of October. The Board then proceeded to unanimously adopt a resolution to sell a tax anticipation note in the sum of \$140,000.00. The Clerk was instructed to advertise the notes for sale as soon as possible.

The Board adopted a resolution to acquire by lease the private bridge owned by the Crandall Bros. and rights of way leading from the closest available county road so as to connect the Brockway cutoff on the south side of the Truckee River to the North side of said river.

The Board ordered the proceedings of this meeting and subsequent meetings for the month of October printed in THE SIERRA SUN.

Ordered a minute order issued to the Road Commissioner authorizing him to engage the services of C. F. Hamlin to inspect the site for the placement of the Bailey Truss Bridge over the Truckee River on the Brockway Cutoff.

Ordered a minute order issued to the Road Commissioner to proceed with the procurement of weight limit signs for all county bridges in compliance with the recent survey conducted by the State of California.

Granted the Welfare Director permission to attend the Governor's conference on Welfare problems in Sacramento on October 14th and 15th.

Accepted the report of the Welfare Director in regard to the categorical aids for the month of September.

Adjourned until Saturday, October 6th, 1951, at the hour of 10 o'clock A. M.

October 6th, 1951.
The meeting convened at 10 o'clock A. M. pursuant to adjournment, with Chairman H. G. Loehr presiding. On roll call all the members were noted present. The minutes of the meeting of October 1, 1951, were read by the Clerk, and no errors or omissions being noted, were ordered adopted as read.

The Board ordered the sum of \$157.67 transferred from the unbudgeted reserve fund to the State Fair Exhibit fund to cover a slight deficit.

The County Clerk returned to the Board marked "Sufficient" a petition for the disincorporation of the Donner Summit Public Utility District. The District Attorney advised the Board that the election called for in the petition need not be set at this meeting and the matter was continued until a later meeting on order of the Chairman.

The Board, being advised that there was a technical discrepancy in the resolution for sale of tax anticipation notes, adopted a resolution rescinding the resolution adopted on October 1, 1951.

The Board then proceeded to adopt a new resolution for the sale of tax anticipation note and ordered re-publication of the proper notice in the Union.

The Board ordered the District Attorney and the Clerk to draft a letter to Mr. H. A. Curnow, Manager of the Bank of America at Nevada City, thanking him for his efforts to help the Board and the County Officials.

The Board ordered the payment of claims as follows:
GENERAL FUND, WARRANTS NOS. 4060 to 5034, \$62,220.03.
Special Road Improvement Fd., WARRANTS NOS. 274 to 295 \$3,776.31.

GENERAL ROAD FUND, WARRANTS NOS. 11 to 17, \$991.87.
VETERANS FUND, WARRANTS NOS. 27 to 31, \$383.85.

Ordered the transfer as a loan of \$9000.00 from Unapportioned Tax Fund to Special Road Improvement Fund.

Ordered the sum of \$842.75 transferred from the Unbudgeted Reserve Fund to Fire Insurance Budget.

The following claims were then approved and ordered held until available funds are on hand:
GENERAL FUND, WARRANTS NOS. 5035 to 5694, \$76,707.59
VETERANS FUND (Not Held) WARRANTS NOS. 32 to 36, \$222.38
SPECIAL ROAD IMP. FUND (Not Held), WARRANTS NOS. 296 to 333, \$8,658.58

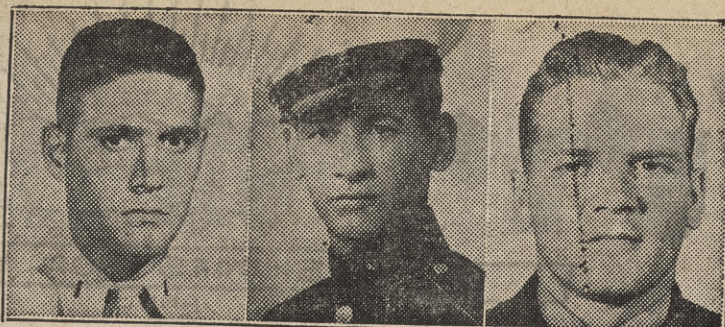

C. F. Hamlin appeared before the Board and outlined plans to place a temporary Bailey Truss Bridge over the Truckee River until the County can develop and complete plans to place a new permanent structure. He stated that he could have a temporary Bailey Truss Bridge in place for traffic within 10 days from and after the start of the work, using county personnel and him to supervise the engineering work.

On motion by Supervisor Rowe, seconded by Supervisor Coughlan and unanimously carried, it is ordered that the Road Commissioner be authorized to proceed at once and enter into an agreement with the Bailey Bridge Equipment Company for the erection of a temporary Bailey Truss Bridge on a rental basis over the Truckee River at Bridge St.

On motion of Supervisor Rowe, seconded by Supervisor Tobiasen, and carried by a three to two vote, the Clerk is instructed to notify the Regional Water Pollution Control Board that this Board approves the adoption of the resolution he submitted for the control of the South Fork Yuba River from its source to Lake Spaulding Dam.

Nothing further to come before this meeting, adjournment is taken until Saturday, October 13th, 1951, at the hour of 10 o'clock A.M.

R. E. DEEBLE, County Clerk and Ex-Officio Clerk of the Board of Supervisors.

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W
Tahoe City, Oct. 8

Dear Tahoeites:
Have three cheery cards this week from the once again meandering Carlton Valentines of Costa Mesa. The first one from some where in Colorado where she described the foothills as resembling an embroidered masterpiece in autumn colored chenille, with fleecy white clouds to enhance them. The next came from Chicago where they arrived on the Santa Fe Chief, with plans to travel on to Detroit where they celebrated their wedding anniversary. The last card told of their visit to Mrs. V's na-

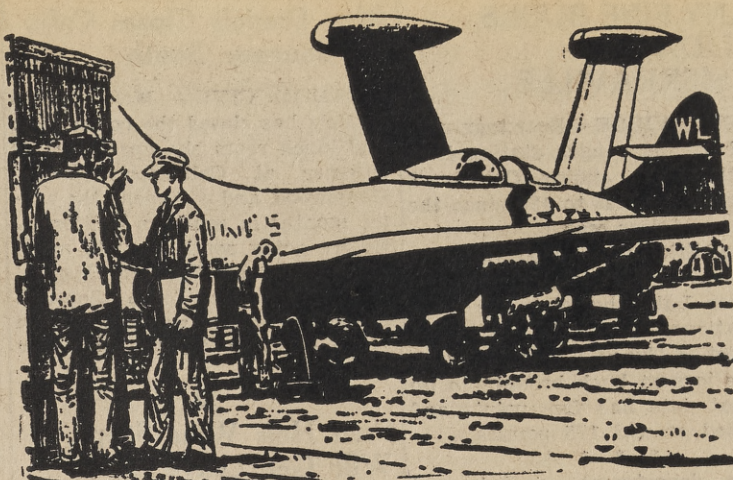

tive city of Paris, Ontario, Canada, where they were guests at an inn which is 150 years old, although modernized with a bath in every room. Beautiful antique hand carved furniture remains in the rooms and a "new" grandfather clock, a mere 61 years of age, never misses a tick or a tock on the wall. The highways of Canada, she says, are every bit as good as California's and the country at present is a veritable paradise with its maples ablaze in glorious autumn coloring and its many quaint French towns in the province of Quebec. They were still undecided just how far they would wander before turning down into the New England states but were enjoying every precious moment of their tour. They sent their best to all their old friends of the Truckee-Tahoe region.

The Lake Tahoe Lions Club members of Kings Beach on Tuesday evening last week were hosts to 15 members of the Cub Scout pack from Kings Beach and two den mothers, Mrs. Henry Graton and Mrs. John Shaeffer. W. O. Mizner, Kings Beach Cub Pack leader, furnished transportation for the group to Cal-Vada where the dinner party was held. There speeches by the youngsters, who range between 8 and 11 years of age, and a gala time was enjoyed by all. The Lions Club contributed \$50 to the scout movement, the Tahoe Area Council embracing Nevada, Placer and Sierra Counties. Talked with my neighbor PFC

Florence Vernon, up from Hamilton Field with her friend, M-Sgt. Helen Schuyler. The girls were driven to Tahoe by former Sgt. Robert F. Bissonette, who just received his honorable discharge after four years of active duty in the air force. He hails from Worcester, Mass.

Carl Becholdt Sr. had to forego his hunting trip in Nevada when he became ill and left the group to return home for medical treatment. His wife joined him for her visit in Burbank on Monday here. Plans will be made this week for the dedication ceremony at the Becholdt Memorial Library in town with the assistance of Librarian Ruth Hoffman. Mr. and Mrs. Wm. Grant of Napa, frequent vacationists in Tahoe City, recently donated a set of O'Henry and Jack London stories to the local library. The Women's Club of Tahoe and others have brought in new volumes and the shelves are filling fast.

Henry Groton of Kings Beach was cited by Clarence Beavers, Tahoe National Forest officer, for violation of Placer County ordinance 147, Series B, Section 4b and 5. He had his hearing in Judge C. W. Vernon's court Monday. Groton was charged with failure to cut snags and pile slash in the allotted ten-day period prescribed by law. He pleaded guilty and was fined \$200 on each of three counts or a total of \$600. Judge Vernon suspended all but \$100, which was paid, providing Groton complies

immediately with the law and burns said slash as soon as burning is permissible.

Attorney Kern Tindall of Auburn asked for, and received, permission from Judge Vernon to study the case of several unnamed "John Does" who are charged with cutting Christmas trees on the Dave Chambers property without written permission. The charge was brought by Ben Callender, agent for the D. H. Chambers holdings. The new hearing was set for Friday, October 12 at 10 a.m.

Many old time Tahoeites last week were grieved to learn of the death in Auburn on October 5 of Marshall Z. Lowell, 74, well known attorney who was former county clerk and district attorney of Placer County. Lowell, and his late

County's Aid for Aged Is Leveling at 900

The number of people receiving aid as needy aged in Nevada County seems to be leveling off at around 900, California Taxpayers' Association reveals.

For August, there were 899 people in the county on the aged aid rolls, compared with 896 for July, 894 for April and 904 for January of this year.

Total aid paid the needy aged in the county is flattening out too, the association said, comparing the \$58,889 total payments for August, 1951, with the \$58,657 for the month of July, \$59,627 for April and \$60,308 for January.

brother, loved the Tahoe region and spent many vacation hours on the lake fishing, a sport in which they excelled. Funeral services were conducted in Auburn.

Have heard of fewer and fewer bucks being brought in from the surrounding country but Ernie Hoerdler of Tahoe City was one of the few lucky ones on Sunday last. He got a 140-pound forked horn.

Rev. Max Christianson of Nevada City conducted services last Sunday at 4:30 p.m. in Tahoe Community Center. A good congregation attended. Services are held each first and third Sunday and all are welcome.

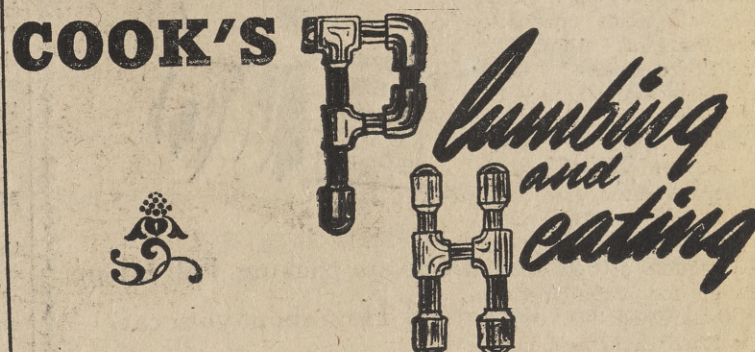

Wind this up for another week as nights grow colder and the leaves on the cottonwoods and willow start turning to that luscious yellow and red which defies description. Only hope that a cold, wet spell doesn't spoil the beauty of autumn's rare climax in our mountain wonderland too soon. It's a sight which lingers in the memory until another fall. My best to one and all, as ever, Swanee.

South Tahoe Man Dies At Reno Hospital

Funeral services were held at Bijou, Lake Tahoe, on Sunday for Harry F. Rose, who died last week at the Reno Veterans' Hospital after a long illness.
Rose, who was 52, had for the last several years operated Rose's Bijou Park Club at the lake. He was a veteran of World War I.
Born at San Jose in 1899, Rose moved to San Francisco and thence to Lake Tahoe. He spent the rest of his life there, except for the time he was in the army. He was a member of the Rotary and Elks clubs.
Interment was at Bijou.

MANY FINE BUCKS VALIDATED IN SIERRA

SIERRA—Deer tags validated at the ranger station here for the week ending October 2 brought the total to 196 since the opening of deer season.
In addition there were 79 bucks validated by Verne Johnson at Webber Lake, bringing the total validations to 265 in Sierra Nevada District of Tahoe National Forest.
The largest buck brought in up to that date had five points and weighed around 175 pounds.

The department of fish and game revealed that California deer hunters had taken a total of 33,620 deer by the first of October, topping all previous records for the tenth day of the late hunting season.

Bow and arrow hunters raised their annual bag to 28, 11 of which were reported taken in the early season. All the figures are based on tallies of deer hunting tags returned to the department by successful hunters.

A department spokesman urged hunters to mail their tags early so that game managers may assess the results of the 1951 hunting seasons in time to make recommendations for next year's seasons and bag limits.

School Dance at Tahoe Friday Successful

TAHOE CITY— Well attended was the Friday night dance held by pupils of the 4th, 5th and 6th grades of Tahoe Lake School in the school auditorium. Sponsors included Mr. and Mrs. Robert Briggs, Mr. and Mrs. Clarence Schrader of Agate Bay, Mrs. Richard Boyce of Tahoe Vista and Mrs. Fred Gilman of Tahoe City.

Plenty of home made cookies and soft drinks were available for the youngsters between dances. Schrader brought along his record player and part of the evening was spent in learning from him some of the modern square dances.

Future plans call for repeat dances several times each month, according to Mrs. Briggs, principal of the Tahoe Lake school.

LAKE TAHOE SKI CLUB GETS WHEELS ROLLING FOR 1951-52 SKI SEASON

TAHOE CITY— Bill Bechdolt, new president of the Lake Tahoe Ski Club, presided at last Friday's directors' meeting in Tahoe Community Hall. Directors present included Ray Fellows, Jack Starratt, Al Henry Jr., Clarence Beavers, Mr. and Mrs. Wesley Donaldson, Kjell Rustad and Art Frodenberg. Absent directors were Max Porter, Pete Huega and Floyd Carnell.

It was voted to retain Friday night as the club's regular meeting night but meetings will not be held weekly until snow flies. It was also decided to sell one of the club's superfluous ski tows which is a complete unit and ready to install anywhere for operation.

Kjell Rustad, in charge of the club's jumping hills at Olympic Canyon, reported that very little work would be needed to put the jumping area in the best of shape. This week a bit of bulldozing is being done at the tow and the judges' stand will be remodeled and enlarged, offering double its present capacity. This is needed as the National Junior championships will be held at Olympic Hill in March, 1952. One side is required for the judges and one side for members of the press. Otherwise, the work done last year has taken care of all necessary improvements.

The board of directors will meet one night this week with the publicity committee, which consists of Cary Raymond, Marge Fellows, Solveig Beavers and Marion Rustad. Bechdolt told the board that the Lake Tahoe Sierra Association has promised financial assistance this winter in advertising the National Junior meet and other skiing events of the Lake Tahoe area.

Next meeting will be on Friday night, October 26, at 8 p.m. in Tahoe Community hall. A second vice president will be elected at that time.

Bert Scotts Leave For Eastern Tour

TAHOE CITY— Mr. and Mrs. Bert Scott of Lake Tahoe and Piedmont left last week for Hartford, Conn., where they will visit Mr. and Mrs. William Haine, parents of their son-in-law, Charles Haine of Piedmont.

On October 15 they will be joined by Mr. and Mrs. Lee Scott of Piedmont who will leave the bay area by plane for Detroit where they will pick up a new car. The quartet will then enjoy a leisurely tour of Florida and the southern states and return to their homes in the west in time for Thanksgiving.

FIRST AID COURSE STARTS OCT. 15 AT CRYSTAL BAY

CRYSTAL BAY— Mrs. Evelyn Levitt announced this week that she will give 30 hours of Red Cross first aid instruction at her Crystal Bay home, Roll Inn. The classes will start at 7:30 p.m. on Monday, October 15 and will cover both standard and advanced first aid work.

Anyone interested in taking the course may contact Mrs. Levitt by telephoning Crystal Bay 197.

The instructor is well qualified, being employed when not at Tahoe with the Red Cross nursing and first aid services in the bay area. She has had over 18 years experience in this work. She offered a similar course last year and former students, as well as beginners, are invited to participate to refresh their former lessons and learn later techniques.

LIEUT. MISTER DIES AT CHAMBERS; SERVED IN NAVY

TAHOE CITY— Word has been received here of the death a week ago of Mister, pet bulldog belonging to Mr. and Mrs. Dave Chambers of Chambers' Lodge, Lake Tahoe, and Hotel Samarkand, Santa Barbara. Mister is reported to have passed away just before his owners prepared to close their resort at the lake and leave for their home in the south.

Mister, whose age is not known here, was exceptional for several reasons. First, he was a bona fide lieutenant in the Navy, having served on one of Uncle Sam's big battleships with distinction during the last war. His owners have official papers to prove it. Second, Mister had one of the homeliest and most vicious appearing mugs ever worn by a bulldog, although his behavior was quite ordinary. He was a one-man dog and worshipped his master, scarcely ever being out of his sight. Old age was likely the cause of death.

He has been buried on the lonely Quail Lake trail on Chambers' property, near the grave of "Dopey" Smith, early day Indian character who summered with members of his tribe at the resort annually. Chambers, who reportedly suffered painful injuries in a fall just before leaving for his Santa Barbara place, is much improved according to latest information.

Yeakels Visit—

Mr. and Mrs. Rodney Yeakel and small daughter, former Tahoeites now of Sacramento, were visitors at Lake Tahoe on Sunday.

WOMEN'S CLUB FEAST FOR THE PUBLIC SLATED OCTOBER 20

TAHOE CITY— Tickets are now on sale by members of the Women's Club of Tahoe for that organization's annual community dinner party which will be held this year at Tahoe Community Center Hall Saturday, October 20. Baked ham dinner will be served to the general public between the hours of 6 and 8 p.m. Dinner for adults will be \$1.50 and for children under seven, 75 cents.

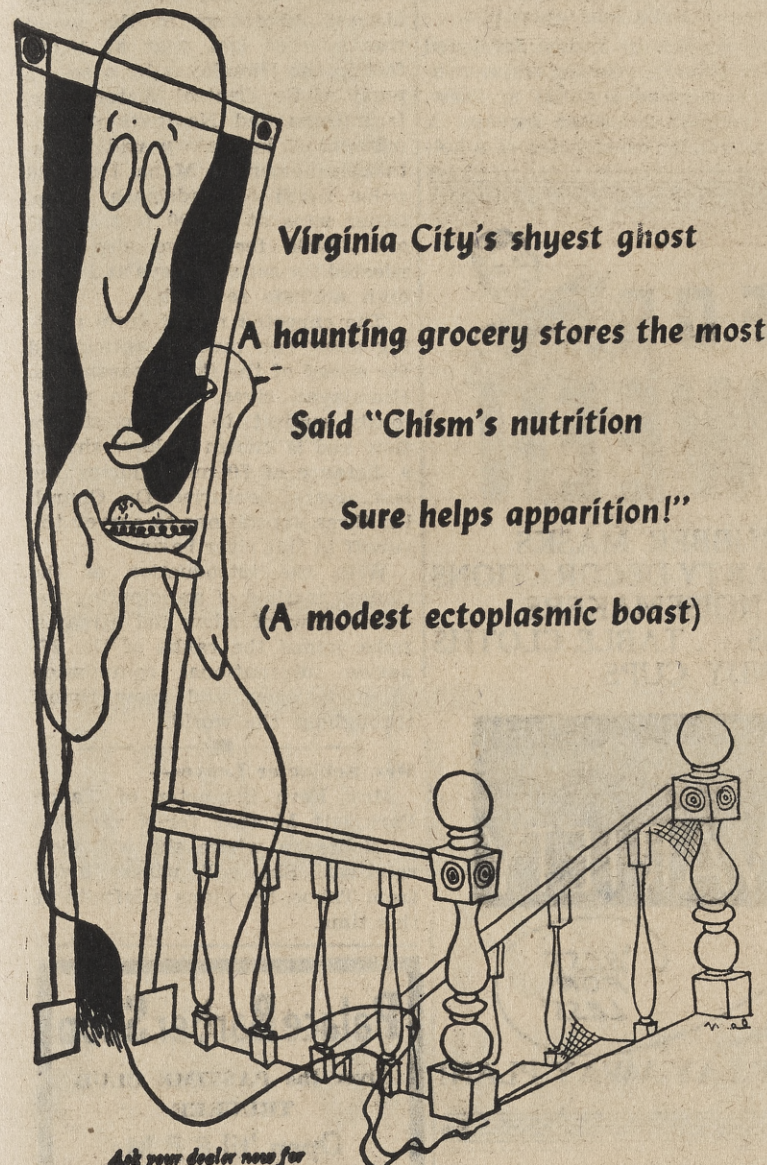

Mrs. Blanche Donaldson, club president, who with her husband operates Donaldson's Coffee Shop here, will prepare and cook the repast, aided by several club members. Apple pies are being donated by club members. Money realized from the dinner will be invested in bonds.

Mesdames Pearl Snyder and Dot Painter were hostesses at last Thursday's meeting in community hall, dessert served prior to the short business meeting which was followed by an afternoon of canasta. Mrs. Anne Martin won first prize and Mrs. Beulah Carnell consolation.

The next regular meeting is scheduled for Thursday, October 18, at 1 p.m. Mesdames Louise

Geer and Otillia Zauner will serve as hostesses. It was voted to hold meetings throughout the winter on every third Thursday, members having a choice of using the community hall or entertaining club members in their homes.

Visits Reno Club— Harry Charrison, president of the Lake Tahoe Lions Club, was a guest at the Reno Lions Club luncheon last Thursday, where movies were shown depicting Nevada and industries and agriculture.

IT'S A FIREBALL ENGINE

Some-where a Road is Call-ing

If the purr of a great-powered engine is music to your ears—

If command of two tons and more of nimble-footed and beautifully balanced automobile can step up your pulse beat—

You are just the man for whom a ROADMASTER was engineered.

Whatever it takes to give you a sense of complete and carefree freedom behind its wheel, you'll find in this proud master of the highways.

Added to the breadth and length that any

fine car can give you are four soft-action coil springs to cushion the wheels, and a torque-tube to banish rear-wheel wander.

Added to its high-compression, valve-in-head engine are eight exclusive Fireball combustion chambers that get extra power from each whirling charge of fuel.

Added to the convenience of clutch-free driving is the torque-converter principle of Dynaflo Drive—that feeds a steady flow of power without lag or falter ever.

Added to the light responsiveness of

its steering wheel is a Buick-engineered "front-end geometry" that gives this phenomenal performer a sense of direction straight and true.

But no roll call of engineering accomplishments can tell you the feel of a ROADMASTER out on the road.

That's something that only firsthand acquaintance can bring. Not just a trip around the block—but enough time and enough miles to let you discover what a joyous companion this great car can be.

That's something that is easily arranged. If you're truly interested, a phone call will bring a ROADMASTER to your door.

Equipment, accessories, trim and models are subject to change without notice.

CRYSTAL BAYERS' TOWNSHIP BID RAISES PROBLEMS

Washoe County's commissioners Friday learned the mechanics of forming a new township but for financial reasons did not commit themselves on a petition by 44 property owners for creation of a township in the Crystal Bay area at Lake Tahoe.

The Crystal Bay residents presented their petition at the meeting of the commissioners, stating that a court and jail in the Tahoe area were necessities.

At the request of the commissioners, Assistant District Attorney A. D. Jensen reported on the legal aspects of the proposal. He said the county board could, by resolution, create a township if in their opinion it was for the "public good."

In a brief discussion of Jensen's report, the commissioners did not question whether a township at Crystal Bay would be for the public good but they expressed the opinion that the county could not afford to build a court and jail at present.

Consolidation Possible

Chairman Ernest Kleppe said that in view of the county's serious financial plight, it might be necessary to consolidate the existing six townships.

Jensen was asked what legal steps would be necessary to consolidate townships. He said he could not give an opinion without further study of the law but said there was a possibility that consolidation could also be effected by a simple resolution. The matter was then dropped without a decision by the commissioners.

At present the townships in Washoe County are Reno, Sparks, Wadsworth, Gerlach, Verdi and Vya.

The possibility of consolidation was mentioned by the commissioners even before Crystal Bay asked for township status. Whether the county could save enough money by combining certain townships to create a new one has not been discussed.

Offices Sought

Even though the county has taken no action on the Crystal Bay request, two persons have already made application for appointment to the posts of justice of the peace and constable in the proposed township.

Eugene Jarvis, restaurant owner, has applied for the justice of the peace post and Al McKern of Reno, a special deputy sheriff at Lake Tahoe resorts, has asked to be named constable.

The Crystal Bay residents pointed out in their petition that their area, during the spring, summer and fall months, boasts a larger population than three of the existing townships and, aside from Reno and Sparks, has the highest valuation, \$1,522,055.

Tahoe Contractor Builds 3 Gateway Homes

TAHOE CITY—Charles Warner, Tahoe City builder, is erecting three new homes in the fast growing Gateway tract near Truckee. Each is a two bedroom house, built in modern ranch style under FHA specifications and will sell for around \$10,000 when completed within the next few months. Two are on the corner of Tahoe Drive and Lake Avenue and the other is on Vista Avenue. All will have fireplaces and automatic floor furnaces. Mrs. Warner designed the homes her husband is building.

Clothes for Korea Drive Drawing to Close

TAHOE CITY—Mrs. Louise Geier, chairman of the clothes drive for needy Koreans, reports that the drive in the Tahoe area will end on Saturday, October 13, and all those having donations to make are urged to leave them in the boxes provided for this purpose in local stores. Contributions to date have been generous. Boxes will be picked up Saturday by a member of the Reno AWWVS.

Last Week's Rain Left 1½ Inches Precip

TAHOE CITY—Last week's rains, which fell October 1, 2 and 3, left a total of 1.49 inches precipitation here, according to A. E. Frodenberg, the official observer.

Daily high and low temperatures were as follows:

Oct. 1st: 57, 42; 2nd: 49, 41; 3rd: 53, 30; 4th: 50, 28; 5th: 53, 32; 6th: 60, 28; 7th: 66, 30; 8th: low 31.

Dempseys, Up Visiting, Take Home Buck

TAHOE CITY—Guests for the past two weeks at the home of Mr. and Mrs. Jake Stuart north of Big Chief on the Truckee-Tahoe highway were their son-in-law and daughter, Mr. and Mrs. Lincoln Dempsey, and two children, Pat and Mike, of San Luis Obispo. The Dempseys, former Tahoeites, took home a nice four point buck which weighed around 135 pounds, shot by Dempsey in the wooded area near the Stuart home.

Nephew Visits

TAHOE CITY—Harry Johanson motored to Reno airport Monday to meet his nephew, Osten Vejerfelt, who arrived on a plane from San Francisco. Vejerfelt visited Tahoe last year with his wife and baby but has since sent them home to Sweden while he remained in New York where he represents Swedish interests with the Eastman Kodak Company. The visitor will remain three days at the lake, then fly to Los Angeles for a visit, returning from there to New York by plane.

INDIA ADOPTS PLAN OF DR. CHURCH ON SNOW SURVEYS

Dr. J. E. Church, internationally known snow survey expert and professor emeritus of the University of Nevada, at the invitation of the government of India, led a party of engineers, meteorologists, foresters, botanists and geologists to the Himalayas in 1947 in search of snow survey sites. This survey was the first of its kind on the sub-continent of India.

The Indian government asked Dr. Church to advise on the measurement of snow in the rugged Himalayas and to train personnel for undertaking snow surveys in that vast region.

Plans for building large water reservoirs and dams across principal rivers were drawn up by India soon after she became independent in 1947. Long range plans were made along the lines of the multi-purpose Tennessee Valley Authority project in the U. S. Forecasts of seasonal river flow were necessary, as rivers fed by the Himalayan snowfields and glaciers fluctuate greatly. It was for the purpose of forecasting stream flow that Dr. Church was invited to India four years ago.

The percentage system developed by Dr. Church, relating water content to a given quantity of snow, was adopted for these surveys. A snow sampler constructed of a hollow metal cylinder is pushed into a bed of snow at selected points and pulled up with the core of snow. The water content of the column of snow is then computed.

Measurements are made along selected snow courses at a series of fixed points, usually 25 to 50 feet apart on strategic watersheds. Snow survey crews take the samples over a period of years and the value of snow cover is found by averaging the samples taken at each point.

A site for what is perhaps the highest laboratory in the world was selected last year at 18,000 feet in the Himalayas by a search party of the Central Waterpower, Irrigations and Navigation Commission. A laboratory will be established soon in Mana Pass, 26 miles north of Badrinath, India. Other sites at 12,500 feet, 14,000 and 15,000 feet have also been selected for snow surveys and other high altitude research.

The expected runoff from melting snow can thus be anticipated far ahead of the flood season. The Himalayan river, Kosi, is notoriously subject to erratic stream flow and is known to have shifted a distance of 70 miles during the last several centuries. Dr. Church led three expeditions to survey the runoff in this river basin.

With the introduction of the Church method of anticipating the water flow of snow fed streams, India joined the ranks of the 27-nation international commission to study snow and snow runoff throughout the world.

William Elam, Placer County, were Mrs. Earl Nelson, Mrs. Andy Sorensen and Mrs. Tom Sutton. They reported the rites impressive and largely attended, attesting to the esteem in which the popular official was held. T. F. Sheehan of Tahoe City also attended the rites. Elam was killed when his car skidded during a rain storm and crashed over an embankment at Dollar Hill last week.

Mrs. Thelma Burroughs has temporarily lost the use of her right hand. She caught the member in a car door recently and suffered painful though not serious injuries.

Mrs. H. A. Stokes is also on the injured list, having severely sprained one ankle in a fall down the stairs at her home last week. She was treated by Dr. L. D. Nelson in Truckee and will be laid up for several days.

Mulford Miles is resting as well as can be expected in Washoe Hospital at Reno where he is scheduled to undergo major surgery in the near future.

The Community Club held a meeting last night at the office of Harry Stuble. A number of important issues affecting local projects were discussed.

Mrs. Anna Woodland and party will arrive to spend the weekend at her home at Tahoe Vista.

NEW PLACER SHERIFF ONCE SERVED IN SAME JOB IN ROCKIES

AUBURN—Constable C. F. Ward of Alta, who did not get a vote on the first ballot but obtained the necessary three on the 24th ballot, is scheduled to be sworn in as sheriff of Placer County this week. He was appointed by the board of supervisors late Monday to fill the three years and three months of the unexpired term of William Elam of Roseville, who was killed in an automobile accident at Lake Tahoe October 1.

Ward was elected by the votes of Supervisors Frank Paoli and L. L. Anderson, who districts embrace the Lake Tahoe area of the county, and John Boyington. The new sheriff-designate formerly was sheriff of Custer County, Colorado. He was elected constable at Alta last year.

The other candidates were William A. Scott, a deputy; Fred Henney of Newcastle; E. J. Kenison, former sheriff whom Elam defeated; Arthur D. Pepper, a deputy; William Atkins of Forest Hill; Lyn-

PETITION SEEKS DISSOLUTION OF SUMMIT P. U. D.

NEVADA CITY—Dissolution of the Donner Summit Public Utility District is being sought by a group of residents in the Norden and Soda Springs area.

Otto Frederick, store operator at Norden, asked the Nevada County board of supervisors to call an election of the voters in the district on the question of disincorporation. He presented a petition of 14 registered voters requesting the election.

The board took the matter under study. Its members said they had no alternative but to call an election if sufficient petitioners sought it. No action has been taken to date, however.

The names on the petition were Otto and Lena Frederick, Charles Van Evera, Henry N. Carn, Gert-rude and Frank P. Morris, James K. and Lola Schull and Joe V. Goicochea, all of Norden, and Harry and Hildegarde Pratt, Frederick M. and Gladys E. Pedley, and Oscar E. Beach, all of Soda Springs.

The petition said the district, while taking in "distant areas," excludes many highly assessed areas in close proximity, making it "impossible" to secure enough assessed valuation to permit any public improvement. It adds that taxes necessary to accomplish a public improvement would be "excessive and burdensome."

It declares that continuation of the utility district would be to the detriment instead of benefit of the area. —Grass Valley Union.

Tarzan

by EDGAR RICE BURROUGHS

AFTER MIRACULOUSLY ESCAPING FROM THE BABOONS, TARZAN DIRECTED HIS FRIENDS TO A NATIVE VILLAGE WHERE THEY FOUND GUIDES TO TAKE THEM TO THE NEAREST PORT.

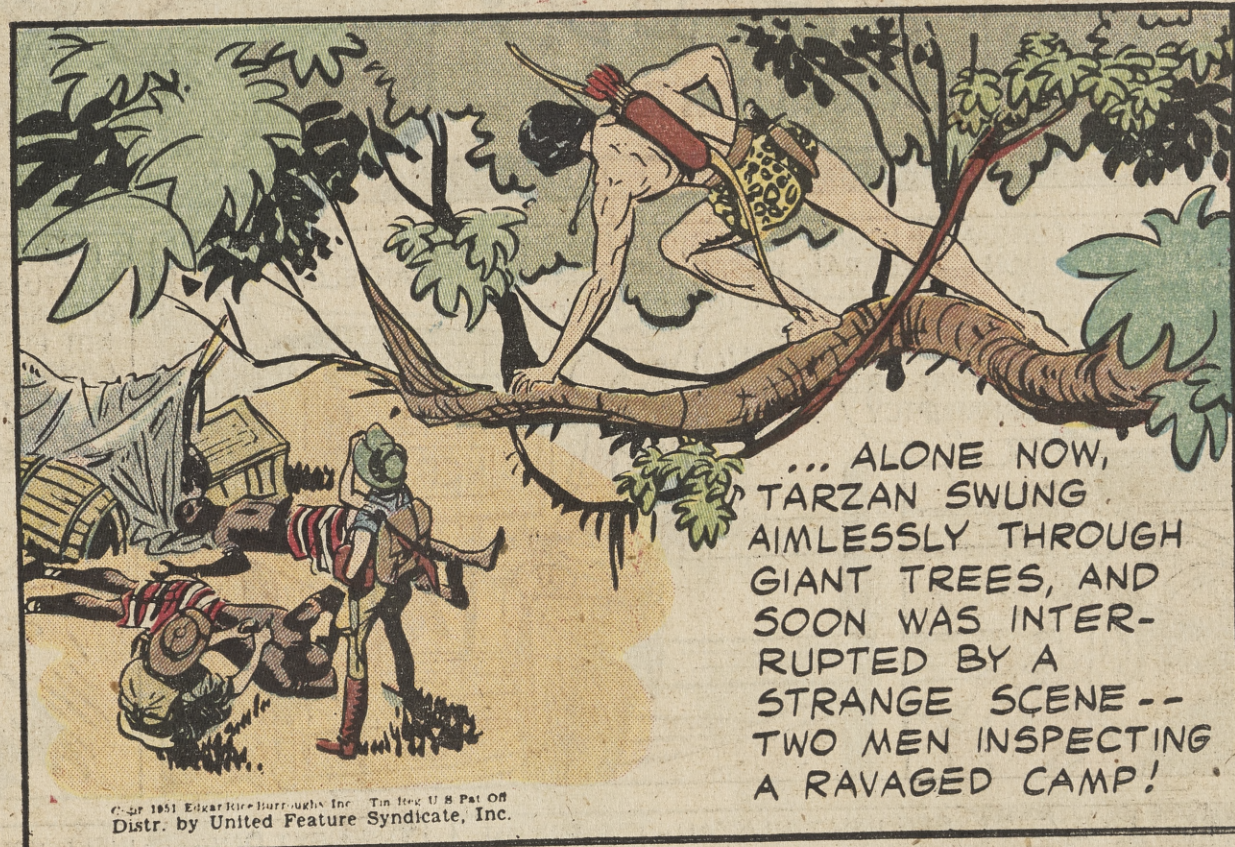

THE APE-MAN MADE FINAL ARRANGEMENTS, THEN WATCHED WITH BALU AS THE SAFARI GOT UNDER WAY.

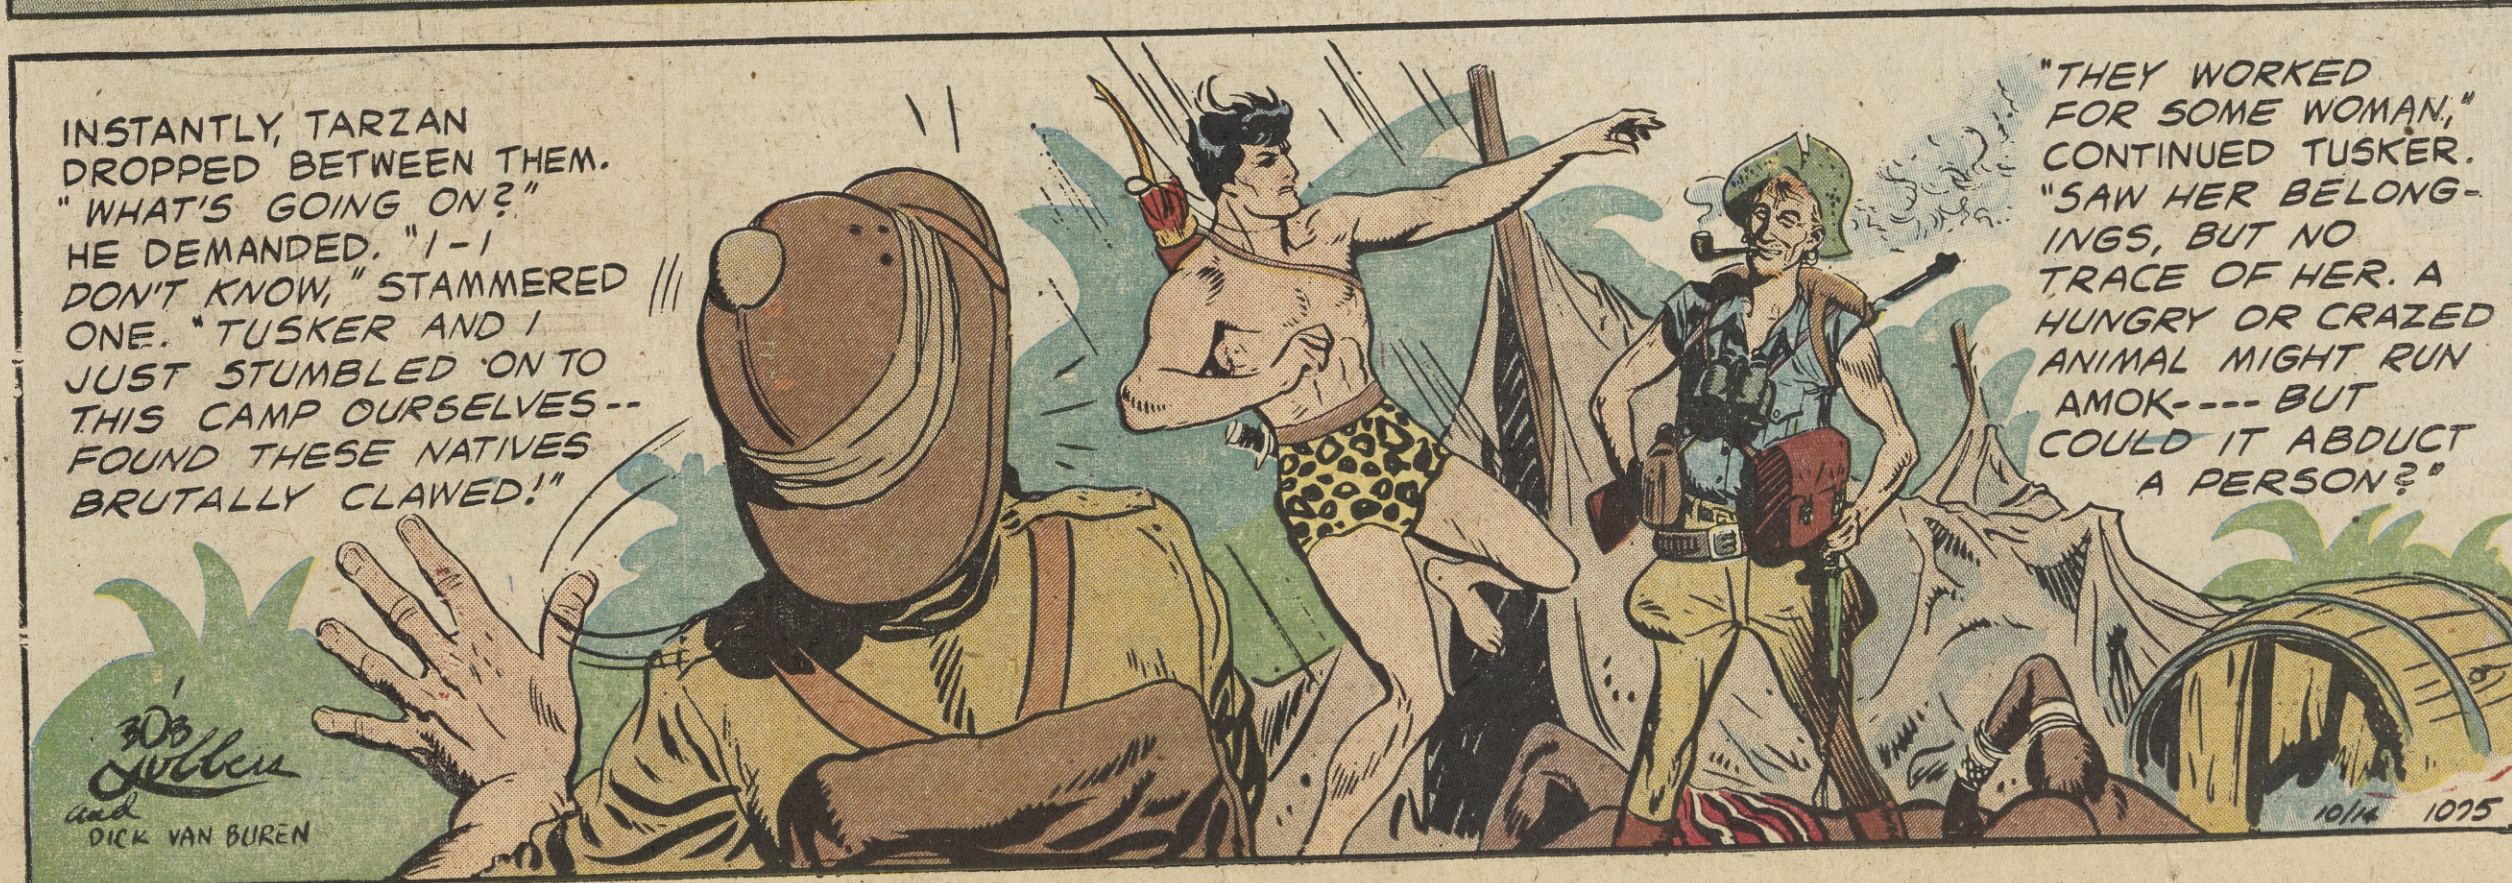

... LATER, AS THE TWO COMPANIONS TROTTED ALONG A JUNGLE TRAIL, THEY WERE ACCOSTED BY A LIONESS. TARZAN WAITED, ALERT, AS BALU INVESTIGATED

-- AND FOUND SABOR TO HIS LIKING! THEN THE CARNIVORES ROMPED OFF LIKE TWO PLAYFUL CUBS-- BALU HAD CHOSEN A MATE!

... ALONE NOW, TARZAN SWUNG AIMLESSLY THROUGH GIANT TREES, AND SOON WAS INTERRUPTED BY A STRANGE SCENE-- TWO MEN INSPECTING A RAVAGED CAMP!

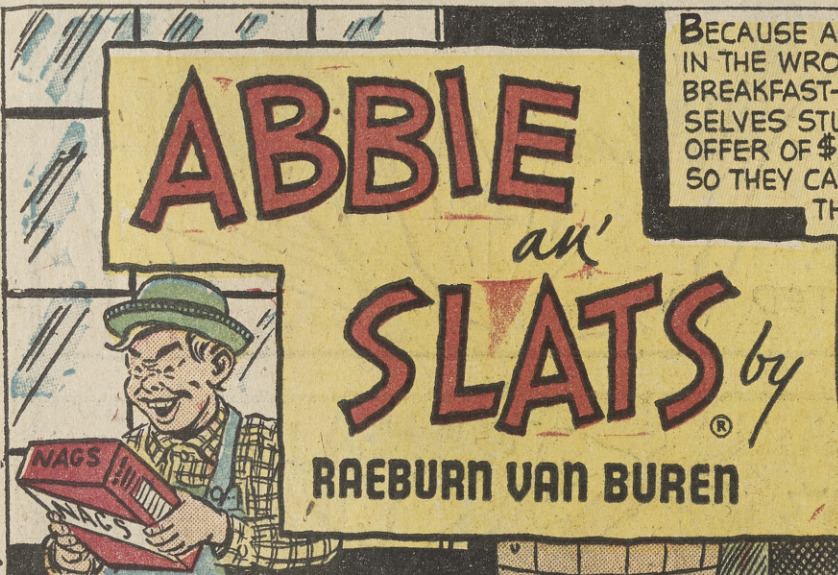

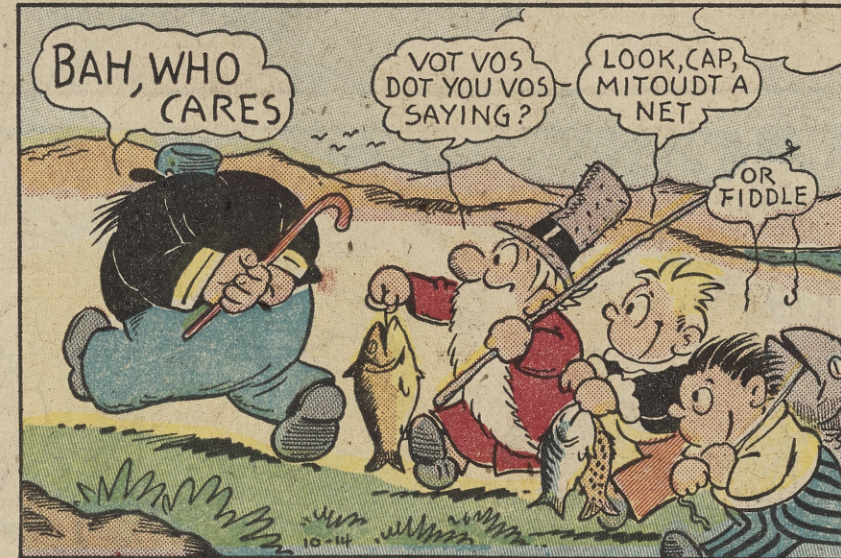

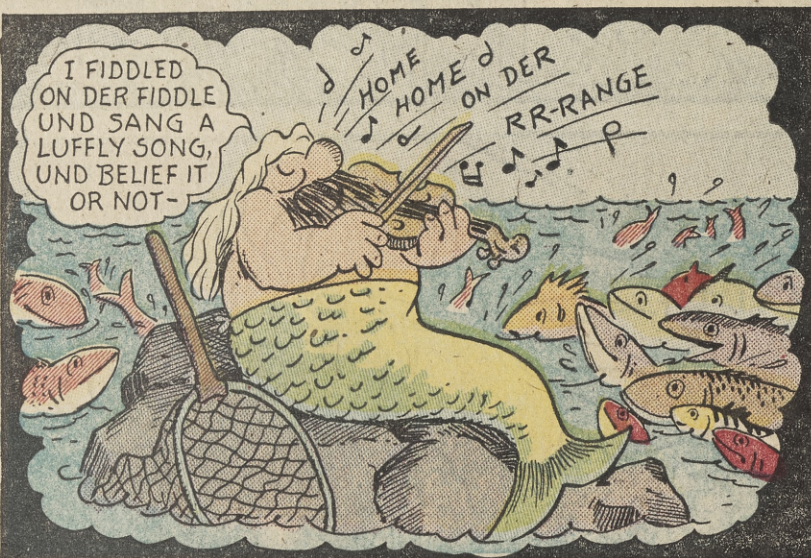

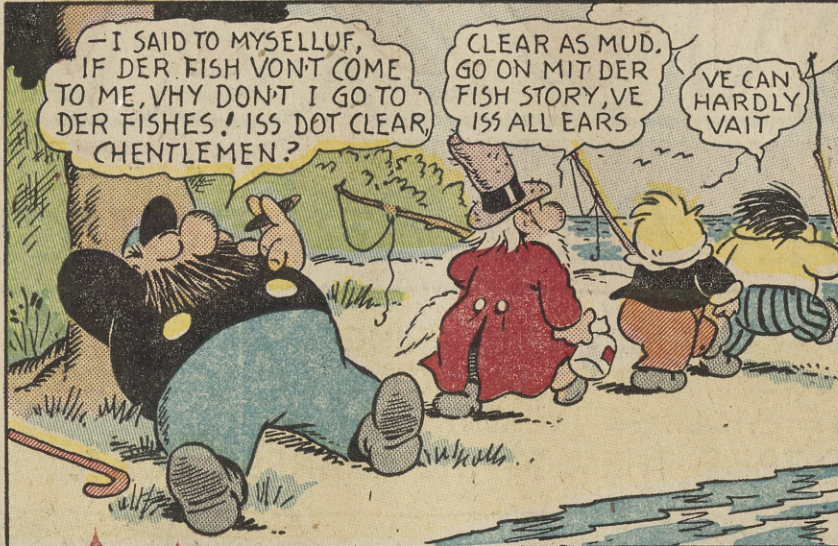

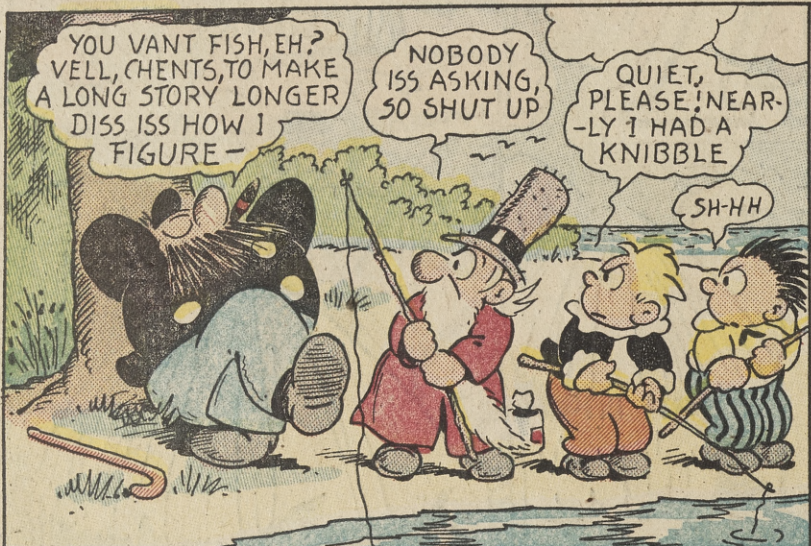

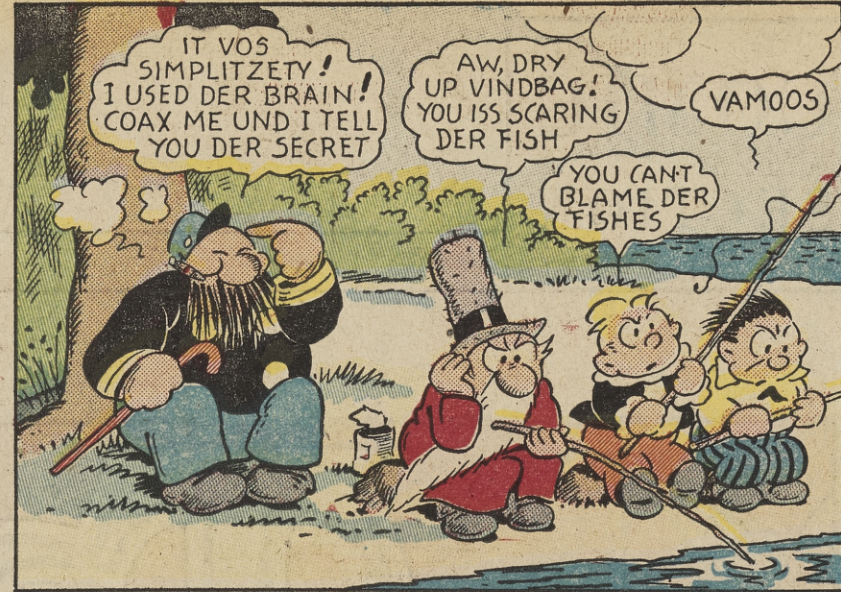

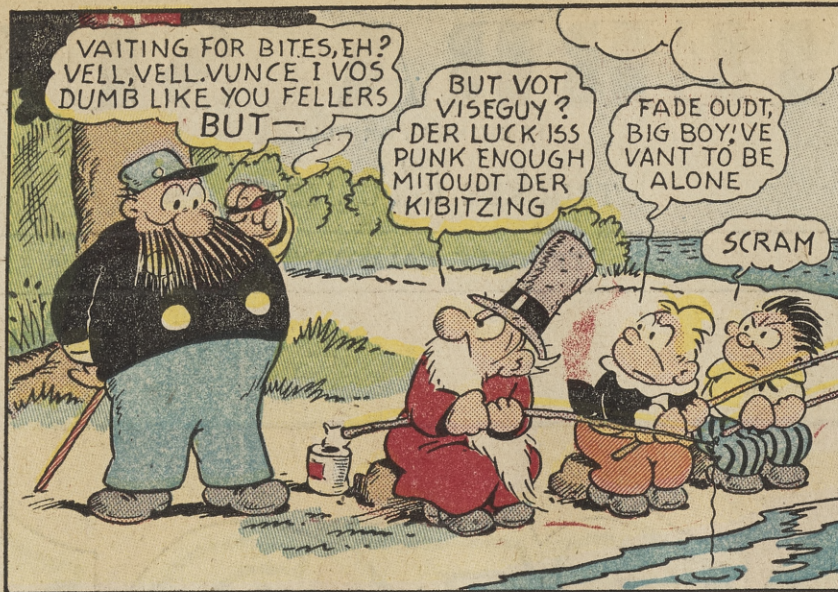

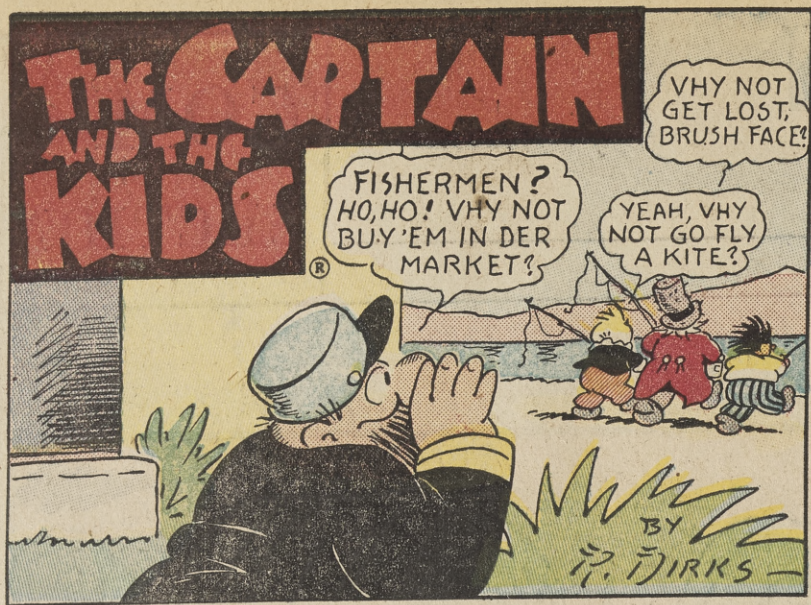

INSTANTLY, TARZAN DROPPED BETWEEN THEM. "WHAT'S GOING ON?" HE DEMANDED. "I-I DON'T KNOW," STAMMERED ONE. "TUSKER AND I JUST STUMBLED ONTO THIS CAMP OURSELVES-- FOUND THESE NATIVES BRUTALLY CLAWED!"

"THEY WORKED FOR SOME WOMAN," CONTINUED TUSKER. "SAW HER BELONGINGS, BUT NO TRACE OF HER. A HUNGRY OR CRAZED ANIMAL MIGHT RUN AMOK--- BUT COULD IT ABDUCT A PERSON?"
